Remember me next time

For Forest Department users they have to select Forest Department Radio Button.

To enter any details in NMIS or in any modules only authenticated users can enter. As shown above there are two type of users can enter the details

1) Forest Department

2) Other Department

All User Names and Passwords are given and All Modules Designed, Developed, Maintained and Monitored by MIS (Management Information System) IT Wing, O/o PCCF(HoFF), Telangana Forest Department, Aranya Bhavan, Saifabad, Hyderabad for any queries you can also reach us at tgfmis@gmail.com.

The image shows a login interface on a green background. At the top left, there is a padlock icon and the word "Login". Below this, there are two radio buttons: "Forest Department" (selected) and "Other Department". Underneath the radio buttons are two input fields: "Username" with the value "dwma_adb" and "Password" with a masked password ".....". To the right of the password field is a link that says "Forgot Your Password?". Below the password field is a checked checkbox with the text "Remember me next time". At the bottom center is a "Login" button. To the right of the form is a photograph of a stork standing in shallow water. Red arrows point from the text above to the radio buttons, the input fields, and the "Login" button.

For Other Department Users they have to select Other Department Radio Button, enter valid User names and Passwords click on Login Button.
